

What People Say About Us; Twelve Months of Super Cerrito Reviews!

December

Christmas

Our first time for the entire extended family (12 people) away from home for Christmas; this was a wonderful reunion; kids, parents and grandparent. Climate was perfect. Fishing with Federico was great, the beach relaxing, island people kind and friendly, accommodation clean and comfortable, with a wonderful ever-changing ocean view from the Cerrito balcony. Turkey by Aristedes delicioso! Thank you. Chris, Canada

New Year

What a great place to have a New Year get-away party, on a tropical island! (20 people) Garden was lit with torches, view of the stars, ocean, ships, and city lights in the distance. Excellent organization, beautiful and delicious buffet, terrific hosts. What fun! John, USA

What an idyllic setting, it just doesn't get any better than this, and I come from Vancouver BC! Aristedes has been a welcoming host and his preparation of fish was phenomenal. Delicious. Thank you for an incredible break. Mary, Canada

What a beautiful island! We had a great time the week we were here at Cerrito on Taboga: hiking, eating and chatting. The views are incredible, and scenery is simply charming. We will miss the sounds of the roosters and the smell of the ocean. The Cerrito Tropical is undeniably the best place to "get away from it all". Anna & Marc-Andre, Ecuador-Canada

I tried several places on Taboga but there is nowhere like this Cynthia. You have an excellent part of the world and have made it wonderful. Aristedes and Valentina are so special. Please keep it up! Olga, Germany

May

After 14 days visiting other places in Panama, the hospitality, tranquility and service was wonderful. Even the rainy season cooperated giving us sun. The meals by Aristedes were wonderful. He provides a great mixture of privacy and service. Sofia & Robert, USA

I've enjoyed a very special time on wonderful Taboga, with its friendly, slow paced island way of life. "Cerrito Tropical" has been a tropical, heavenly, home away from home. Extremely comfortable, with all the amenities, ideally situated high on the hillside, it's beautifully designed and in total harmony with its ocean and jungle surroundings. The owners seem to have thought of everything to ensure a happy stay. To swing lazily in a hammock on the balcony, Margarita in hand, and look down over the lush island setting, out across the panoramic miles of Panama Bay with the mainland in the distant background and watch the fishermen, the smaller island jewels, and ships from all over the globe anchored out, or slowly maneuvering toward The Canal, is absolute serenity. I highly recommend this beautiful place." David, USA & Canada

Our honeymoon here was better than we could have imagined – the view from our balcony is spectacular, we enjoyed the kitchen and our forays into the island. Aristedes is a gem; he made us very comfortable and is a marvelous chef. We look forward to coming back! Stephanie & Daniel, USA

Thank you for a wonderful weekend. You have a delightful location and ambiance on Taboga. Your staff was helpful and attentive. Your location, close to Panama City, but far enough away to feel serene and restful, is perfect for a getaway. The food was delicious-and plentiful!! I really enjoyed the hike on Sunday. Thanks for the narrative about the flora and fauna as we walked. The view from the summit-of sea and city, was another highlight. Most of all, your hospitality made me feel like I was with family! I am looking forward to my next visit! Elvin, Canada

Jackie: We had the best vacation at Cerrito Tropical and we will be back! Our 22nd anniversary was made memorable by the beauty and tranquility of Cerrito Tropical. Aristedes your meals are fabulous, especially Sancocho! Chuck: I grew up on Taboga in the US Army 1959-1962. When I left I had made many friends and when I returned 45 years later it was as if I had never left. Jackie and Chuck, USA

Thank you for providing such a restful break at your apartments on Taboga. The view of the passing ships in the canal -- seen from a hammock, and the balcony -- are among my many positive memories. I enjoyed the hike up to the Spanish cross, and the leisurely walks through the village's quiet, narrow streets and open courtyards. I look forward to a return trip soon! Brett, Canada

August

November

Once again lucked out on finding the best place to visit, stay and relax. Thank you so much Cynthia for creating such a friendly and peaceful place to stay for my 2 weeks. Your extended family, Aristedes and Valentina were gracious and accommodating beyond my expectations. Aristedes is a great chef, the ceviche was a treat, the fresh fruit he found wonderful, and the fish I CAUGHT on the GREAT fishing adventure with Federico was superb. With love, Ciao! Lynn, Canada
